

The Information Post Design Guide

Design: For best quality reproduction please use images at 200dpi / CMYK. Please leave a 15mm border to allow for the screws which will go in each corner (see red dots).

Artwork: The artwork needs to be provided as a press quality PDF with a 3mm bleed and printers marks. If you are supplying the artwork please sign it off with your designer, changes cannot be made once it has been sent to us and we cannot be held responsible for any errors in the artwork design or quality.

Design Service: Don't forget we offer a competitive design service. Contact us for more information.

These notes are just a guide. If you have any questions please speak to us for further guidance.
